Dear Sirs,

I am in receipt of your letter of the 5th. instant respecting the Boiler Survey of your steamer "STRATHLEVEN", and have to state that your proposal to attend to this matter on the vessel's return from her present voyage is considered satisfactory.

I note that the vessel is at present on passage from China to the United States, where she will probably load for the United Kingdom.

I am, Dear Sirs,

Yours faithfully,

Secretary.
