ENCLOSURE.

4th May 1898.

Gentlemen,

With reference to the enclosed documents relative to a survey which was held at Ipswich in March last on the steamer "STRATHLEVEN", I have to request that you will ascertain from the Owners and let me know whether the damage in question has been repaired, and also and at what port it will be convenient for the same to be inspected by one of the Society's Surveyors.

For your information I may add that the vessel appears to have left Harwich on the 12th March for Norfolk, Virginia, and returned to Dunkirk on the 28th ultimo.

The enclosed documents should be returned with your reply.

I am, Gentlemen,

Your obedient servant,

Secretary.

Surveyors,

GLASGOW.
