

P.

30<sup>th</sup> May 1881.

Gentlemen,

With reference to  
Mr. Stevens's Report of Survey No: 220  
on the steamer "Lizzie Mann," I have to  
state that he should have arranged  
to inspect the repairs himself after  
they are completed instead of requesting  
the owner to communicate with this  
office on the subject, and I shall be  
glad to learn whether there is still  
time for Mr. Stevens to complete the  
survey or if the vessel has sailed.

Yours obediently,  
Sam. Gentlemen,

The Surveyors  
Hall
