8th June 1899.

Dear Sir,

I am in receipt of your letter of the 6th instant in further reference to the case of the steamer "LIZZIE & ANNIE", and note that arrangements have been made for the vessel to be stopped about the 16th instant at Lynn for the purpose of fitting a new boiler.

Under the circumstances no action will be taken with the vessel's character for the present, and I shall be obliged if you will kindly advise me as soon as the vessel is ready for inspection in order that one of the Society's Engineer Surveyors at this office may attend.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

William Towell, Esq.,
