13th April 1905.

Gentlemen,

I duly received Mr. Barclay's letter of the 11th instant respecting the steamer "LIZZIE AND ANNIE", and in reply thereto I have to state the Donkey Boiler of that vessel was put out of use at the Owner's request and that no report was made on its condition.

I am, Gentlemen,

Your obedient servant.

Secretary.

The Surveyors,

HULL.
