19th October, 1959.

Dear Sirs,

m.s. "LIZZIE AND ANNIE"

The Committee have now had under consideration the case of the above named vessel together with the copy of Owners' letter of the 5th forwarded with your memorandum of the 6th instant.

In reply I am asked to say that the Committee are quite content to let the question of overdue surveys rest for the present in the hope that the Owners will be in a position at an early date to state what arrangements they have been able to make for the vessel to be drydocked.

If nothing further is forthcoming you should take the matter up with them towards the end of the present month.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
HULL.
