Dear Sirs,

Motorship "LIZZIE & ANNIE"

The case of the above named ship has received the consideration of the Committee today, together with your memorandum of the 8th instant.

In reply, they have authorised me to say that, in the special circumstances, they will not object to a further postponement being granted in this instance provided either you or the Middlesbrough Surveyors are satisfied that the vessel is fitted for the restricted service in which she is at present employed until May next.

It will be in order for you to inform the Owners that their request has been approved when the above proviso has been clarified.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
HULL.
