8th June, 1961.

Dear Sirs,

Motorship "LIZZIE & ANNIE"

I duly received your memorandum of the 26th May and in view of the further postponement now desired by the Owners the matter has been referred to the Middlesbrough Surveyors who have recommended the case for favourable consideration by the Committee.

The case has, therefore, been submitted to the Committee today and, in the light of the Middlesbrough Surveyors' remarks, they have agreed to the completion of the outstanding surveys being dealt with at the end of July next.

Yours faithfully,

c.c.Mdb.

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
HULL.
