Dear Sirs,

m.s. "LIZZIE AND ANNIE"

I have to acquaint you that the Owners have informed the Society's Surveyors at Hull that due to continuing bad weather they have been prevented from completing the work in Whitby Harbour although, given good weather, it is hoped to do so by the end of July when the vessel will be made available for completion of the Special Survey.

In this connection I have to refer to your Report No.22159 with the request that you will comment on the Owners' proposal, for the early information of the Committee.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
MIDDLESBROUGH.
