H. Read Esq  
Boston

Dear Sir

S. S. "Lizzie & Annie"

Your favour of 8<sup>th</sup> inst duly received  
complete the survey it will be necessary to see that the vessels  
machinery & boiler are satisfactory under steam & that the loading  
the safety valve is as approved by the committee. This can be done  
either in London or Boston as you desire. If it would suit you to  
have it done at London please let me know and I will forward  
my report for completion, but if you prefer that I should come to  
Boston for the purpose, please advise me in time that I may make  
arrangements to attend.

I send by parcel post a brass tap which please have attached a  
steam gauge fittings on the boiler so as to ensure being able to connect a  
standard gauge.

Yours truly

J. H. Stevens
