Certificate A. To be signed by Surveyor in respect of a partial or complete survey.

I have surveyed the ship named at the head hereof, to the extent indicated below, in accordance with the instructions contained in Board of Trade Order of 1912 and the requisite details of the survey have been entered herein.

Index Nos. of items examined. († Insert "all" in case of a complete survey.)	Signature of Surveyor.	Place.	Date.
all ✓	John Douglas	Hull	6 th November

Certificate B. To be signed by Surveyor completing the survey.

I am satisfied

- that the fittings and appliances for the protection of openings, the guard rails, the freeing ports and the means of access to the crew's quarters are maintained on the ship in as effective a condition as they were in when the certificate was issued; and
- that no material alterations have taken place in the hull or superstructures of the ship which affect the positions of the load lines.

I have endorsed the Load Line Certificate and the certified copy as follows:—

Signature of Surveyor John Douglas Place Hull Date 6th November

Signature John Douglas Date 8th November

Fee £1-0-0

Number of Visits Three

Particulars of any change from the conditions given on the Load Line Certificate or on Form C 11 should be reported on Form C 11 (contd.) and attached to the original certificate, a copy being forwarded to the Freeboard Department.

Surveyors should note that there is only one valid certificate, and the above endorsement should be made thereon. No entry should be made in the certificate unless the original certificate has been produced to and endorsed by the Surveyor.
