Sir,

Referring to your letter of the 10th inst, regarding motor vessel "LIZZIE & ANNIE" I beg to inform you that the fore and afters are being made 7" & 6". The Owners have the sails measured from the vessel and enclosed is a drawing of sails. The sails as shewn are those used on the vessel prior to undergoing present survey and the and fittings on aft side of main mast are removed as desired London letter M.7-4-22. The Owners objected to remove sail as they claim vessel has not more sails than any ordinary steam vessel.

I am, Dear Sir,

Yours faithfully,.
