J. F. Light & Co
Sir

In reply to your
enquiry respecting the boiler pressure
in S.S. "City of Rome" I regret to find
that I have made a clerical error
in my report N^o 28150 in stating the
working pressure as 80 lbs. which should
be 90 lbs same as that of main boilers
which correction please make.

I am Sir

Your obedient servant

J. F. Light & Co
