Ex. to L.R. 3/5

Liverpool

Sir

I beg leave to acquaint you  
that the "City of Rome" will leave  
here for Glasgow tomorrow  
morning. It is respectfully  
recommended that in order  
to complete the present survey,  
the draft values of main boiler  
& superheater be adjusted, the  
additional sea connections  
be examined while being fitted  
and the Propeller & Stem head  
surveyed by the Society's  
Superior Surveyors in the

Clyde district.

I am,

Tr  
your Obedient Servant

Duncan Ritchie.
