Dear Sirs,

s.s. "Bakuin"

We are obliged for your favor of the 8th instant and note your Committee have agreed to allow the class of the above steamer to remain undisturbed on the understanding that she will be submitted to the survey at the first port at which you may have a Surveyor.

We do not see, however, that we can very well give this undertaking as we have made our arrangements for the recharter and insurance on the assumption that this vessel would lose her class.

Yours faithfully,
