27th July, 1898.

Dear Sirs,

With reference to the classification in the Society's Register Book of your steamer "BAKU STANDARD", I beg to acquaint you that the Committee have had before them a report from the Society's Surveyor at Batoum, from which it appears that this vessel sustained damage through collision, and I have to say that it is recommended the vessel be drydocked and the necessary repairs effected at the first opportunity.

I am, Dear Sirs,

Yours faithfully,

Secretary.
