Dear Sirs,

Reverting to your letter of the 7th October last,  
intimating that you propose submitting your steamer "BAKU  
STANDARD" for the Special Survey No.2 due February last upon  
the steamer's return to the U.K. in the course of the next  
month or two, I beg to acquaint you that the Committee have  
read before them today a report from the Society's Surveyor  
at Shanghai of survey held on the vessel in dry dock there.

No steps, however, appear to have been taken as regards  
the Special Survey in question, and I shall be obliged if you  
will kindly let me know for the Committee's information when  
and at what port you propose having the survey held.

I am, Dear Sirs,

Yours faithfully,

The Secretary,

pro Secretary.
