VESSEL'S NAME SSS Baku Standard Report Howe No. 48601

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey	<u>SS No 3</u>	When due	<u>2-05</u>
	<u>PS.</u>		<u>9-05</u>

The S.S.No.3 became due in February last, and some damage through ice reported by the Newcastle Surveyors in March requires to be permanently repaired when the Special Survey is held.

The Newcastle Surveyors now state they are informed by the Owners' Superintendent that no definite arrangements have yet been made for the survey to be carried out, but the same will be attended to before the expiration of the year of grace.

It is submitted this proposal might be approved.
