Dear Sirs,

S. With reference to the classification in the Society's Register Book of the steamer "BAKU STANDARD", I beg to acquaint you that the Committee have today had before them a report received from the Society's Surveyors at this port from which it appears that damage has been sustained to the stem plating through collision, and I think it well to inform you that it is recommended that the steamer be further examined in dry dock at a convenient opportunity.

I am, Dear Sirs,

Yours faithfully,

Secretary
