Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

25th June, 1915

Dear Sirs,

Reverting to my letter of the 6th ultimo respecting the steamer "BAKU STANDARD" I beg to acquaint you that the Committee have today had before them a report from the Society's Surveyors at Newcastle from which it appears that some repairs have been effected on account of damage sustained through heavy weather, and that the 2nd Special Survey No.2 has been partly held.

It is understood that the Survey will be completed in six months time, and I have to say that in view of the vessel being on Admiralty charter, the Committee are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,

Messrs. John I. Jacobs & Co.,
