ENCLOSURE

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 15th instant, respecting your S.S. "BAKU STANDARD", and to acquaint you that the case of this vessel was submitted for further consideration by the Committee to-day as regards the 2nd Special Survey No. 2 - which became due in May, 1914, and has not yet been completed.

In view of the survey having now been standing over so very long, I am desirous to enclose herewith a copy of a Circular letter recently issued by the Committee on the ~~subject~~ subject of periodical surveys, and have to acquaint you that in the event of its being still impracticable to complete the Special Survey No. 2 of this vessel the Committee must ask you to kindly arrange for a general examination to be made by the Society's Surveyors, as indicated in the Circular.

Perhaps you will be good enough to let me know, in due course, at what port the general examination can take place and I should add that a fee will be charged of £10. 10. 0.

I am, Dear Sirs,
Yours faithfully,

Secretary.
