

4-Mast. Bk. "PAMIR".

---

It is submitted the Genoa Surveyors be informed that, in view of the statement made in their cablegram that this vessel was found in a satisfactory condition after being examined in dry dock and a general examination made of the hull, masts, spars and rigging, they are at liberty to issue a certificate on Report Form 10 as requested by the Owners, to enable the vessel to proceed to the United Kingdom or Continent in ballast.
