

COPY.

2nd August, 1928

Dear Mr. McGlashan,

I shall be glad if you will kindly arrange at your convenience for your Office Boy to make a copy of Falmouth Report No. 6497 on the Barque "PAMIR" and let me have it in due course.

I may say that the original report here has got rather badly mutilated, and we should like to have a fair copy to attach to the defective report to be filed away with ^{the} ~~your~~ reports on the vessel.

With kind regards,

Yours faithfully,

A. McGlashan, Esq.,

FALMOUTH.
