Dear Mr Scott,

Very many thanks for your letter and  
for again kindly sending me the annual report of Lloyds Register.  
It is always most interesting to see the great work that is  
being carried on, and I am much obliged to you for sending it  
to me.

"Parma"

The Owners refused to allow me to see  
this ship in Dock and so I told them that there was nothing more  
to be said about it, and as they maintained this attitude I  
could not deal any more. I hear now that she has been bought by  
a Finnish Firm, and I presume that they have taken her on the  
sellers' word.

I see that she was ashore in 1928, and I  
have no doubt that she must have sustained a certain amount of  
damage which was the reason of their refusing to <sup>five</sup> take the clause.

I am now in communication for other ships
