ENCLOSURES

2nd September, 1932.

Dear Sir,

H. With reference to my letter of the 23rd ultimo relative to the Bk. "PAMIR", I have to point out that the shell plating will require to be drilled at this Special Survey, and I shall be glad if you will ascertain and let me know at what port it is expected the drydocking part of the survey will take place.

32 At the same time I think it well to send herewith a list of scantlings taken from the First Entry report of this vessel, together with drilling sheets, for your information and guidance should it be decided to drill the plating above the light water line in your district.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

Ossian Tybeck Esq.,
