Vessel's Name: 4 Mast Barque "PASSAT".

We forward herewith Reports 4b, 4c (two), 8, 13, and Certs. B (amended) and B 1 in the case of the above vessel. Plans and certificates are being sent under separate cover. Please note that a few of the "as approved" hull plans refer to the sister ship "PAMIR". We would add that the machinery plans have already been sent with our report on the "PAMIR" (see Kiel letter 24th March, 1952.)

The fee of DM 1.600,00 (Hull and Machinery) + DM 200,00 expenses will be charged to the Owners through the Dusseldorf Office. As in the case of the "PAMIR", this inclusive fee for Re-classification Survey was agreed between the Owners and Mr. Trenchard.
