W. Watt, Esq.,

LONDON.

Dear Mr. Watt,

I have been asked privately by the local Cunard Officials here if it is possible to so arrange the Annual Survey of Freeboard of "MAURETANIA", that it may be held at the Annual Lay up of the vessel at the end of the year, when the Survey for the renewal of the Board of Trade Passenger Certificate is also held.

In the case of the "MAURETANIA", the Annual Freeboard Survey becomes due in July and the B.O.T. Survey in December.

I can't trace anything in the regulations which might assist in the matter and I should be grateful if you could advise me whether it is possible or not to have the question dealt with on the lines mentioned above.

With Kindest regards,

Yours sincerely,

J. McWilliam
