7th March, 1907.

Dear Mr. De Russett,

I am in receipt of your letter of the 6th instant respecting a mistake made on the diagram sent on the 18th ultimo regarding the draft of the "MAURETANIA" on arrival.

We had noticed the figures and concluded that it was a clerical error which gave the drafts as aft and forward instead of forward and aft respectively.

Yours faithfully,

S/S H. J. Cornish.
