QUESTION.

ANSWER.

Date:— 16.1.54.

With reference to your memorandum of the 8th inst last, I shall be glad to learn whether there are any changes in the circumstances of these cases.

You will observe that the notified surveys of the Oil Lines will become due at the end of December and January respectively.

The above vessels are still laid up and there is no indication from the Owners as to when they will be put again in service.
