Dear Sirs,

Motorship "PASSAT"

I acknowledge receipt of your letter of the 7th instant, the contents of which have been noted.

In view of the ship's age she should be examined in drydock at an early date for the postponement of Special Survey desired, but if you are satisfied with the condition of the vessel from your examination in drydock in December last (Hamburg report 7132) then the Owners' proposal to defer the next drydocking until this winter can be approved.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
HAMBURG.
