The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

(* The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. — Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey _____

DAMAGE .

Wreckage

This vessel is reported by the Bremerhaven Surveyor to have sustained damage through collision. Temporary repairs have been effected to his satisfaction to enable the vessel to proceed on her voyage to Leith where it is proposed to effect the necessary permanent repairs.

It is submitted the Leith Surveyors should be requested to give the case the necessary attention on the vessel's arrival at their port, & informed that the S.S. No 2 has been held & is being posted and in the meantime, the class might be allowed to remain undisturbed.
