Dear Sirs,

I have to acquaint you that I am in receipt of a letter from the Surveyor at Aberdeen in which he states that the steamer "STETTIN" has left that port for the Tyne where the fourth Special Survey No.3 will be completed. He adds that he has forwarded reports on the case to you and I have therefore to request that you will give the case the necessary attention. I have to point out that the year of grace allowed by the Society's rules in this instance expired at the end of April last and I have therefore to request that you will advise me immediately should the vessel leave your district without the inspection in question being fully completed.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

Newcastle on Tyne.
