Re, 7.00
H.

sir,

I am in receipt of your letter of 9th. inst. having reference to the Special Survey No.3 on the s/s "STETTIN". I have to-day had an interview with the owners and they state that owing to shortage of labour and the difficulty of obtaining a dry dock it is extremely inconvenient to lay the vessel off for this survey. They however state that she is expected to return from her present voyage to Seville in about a month, when they will endeavour to carry out at least a part of the survey in question.

I am, Sir,

Your obedient servant,

The Secretary,
