Dear Sir,

"STETTIN": Thrust Shaft.

We have your favour of 21st inst. This steamer has been frozen in at Archangel, and will probably not be able to leave that port for a considerable number of weeks. We are keeping before us the question of the examination of the Shaft fitted at Lisbon; and we may say that we have ordered sample cuttings of the shaft to be sent home from that place, and these will be carefully examined on arrival.

Yours truly,

James Currie & Co.
