LONDON, E.C.3.

Dear Sir,

S.S. "STETTIN"

We duly received your letter of 24th inst., Ref. H, with regard to the special 5th Survey No. 1 and also Boiler Survey. This steamer is on the point of sailing for the Mediterranean and we would suggest that she might run on until January 1920 when the Survey of the ship and boilers and the drawing of the tail shaft could be carried out.

Yours truly,

James Currie & Co.  
C. W. S.
