

Composite No. "Leander", No. 249 in R.D.

This vessel is presently lying in the River
Hooghly, and I am informed by the Master
that the Owners (who are Natives) are disposed
to have her reinstated in the class

(withdrawn 9.91) from non-compliance with
the Society's Rules. I beg that you will
be good enough to acquaint me with the
causes of the withdrawal of the above
vessel's class, so that I shall be the better
able to act, if required, in this case.
