Report 14kg No. 1014

For the CHIEF SURVEYOR and CHIEF ENGINEER SURVEYOR

(In cases which have to be submitted to the Claiming Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Claiming Committee may have all the salient points presented in the endorsement." - Extract from Sub-Committee's Report, 21/5/92.)

Deck

Compared S.S. Thersure complete

The deck of the vessel was reported to be worn below the limit of thickness admitted by the Rules, although in good condition.

The Owners now state that the timber for the new deck has been purchased and the deck will be renewed on the vessel's arrival in Hong Kong in March next.

It is submitted this arrangement merits approval and the Hong Kong Surveyor should be requested to give the case the necessary attention.
