Dear Sir,

At a recent Meeting of my Committee, consideration was given to the future of the Clipper Ship CUTTY SARK, and from correspondence exchanged between my Committee and the National Maritime Museum, it was learned that Lloyd's Register had recently surveyed the CUTTY SARK without charge. This action, indicating the interest of Lloyd's Register in the welfare of this famous vessel was very greatly appreciated, and I was instructed to convey to your Chairman and Members of your Committee the sincere thanks of my own Committee for so kindly undertaking the survey without charge.

Yours very truly,
