

Technical Committee of "CUTTY SARK" Preservation Committee.

Mr. Robertson's memorandum of 13th June was discussed with Mr. Barraclough today.

Mr. Barraclough had previously spoken to Sir Ronald about this matter and Sir Ronald thought that Mr. Robertson might undertake the further duties envisaged, provided they did not take up too much of his time.

Mr. Barraclough also stated that it is possible the "CUTTY SARK" will come to Camper & Nicholsons at Southampton for reconditioning.
