

Lloyds Register of British & Foreign Shipping
Ports of Newcastle and Shields

OFFICE

North Shields, 10 November 1873

The Secretary Lloyds Registry
London.

Sir. I am in receipt of your letter of 8th inst
respecting Report of S. S. "Nederland" -

Briefly I may state that as regards the
Reverse Bars. I have corrected Report to 8 $\frac{1}{2}$ ft.
so fitted in vessel - and rejoined by Committee.

Partial Bulkheads are not fitted in the
"Nederland" - for being a three decked vessel
her Reverse Bars extended to main upper
decks. her outside plating is also heavier than
No 289. "Nederland" which vessel is classed
"open decked".

Returning Report and section.

I am Sir,

Yours faithfully
J. M. [Signature]
