15th September, 1904.

Gentlemen,

H.

Reverting to my letter of the 13th instant respecting the Steamer "NEDERLAND", I have to acquaint you that I am in receipt of a communication from the Surveyors at Antwerp in which they state that they have been informed by the Owners' Superintendent that instructions have been given for the Boiler Survey to be carried out before the vessel leaves Philadelphia.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,
PHILADELPHIA.
