

14th May 1889

Dear Sir,

With regard to the classification
in this Society's Register Book of your
Steamer "Shuttleworth"; I am directed
to refer to the correspondence which
passed between us in June last, when
as you will remember, it was arranged
that this vessel should be submitted to
the Special Committee No 3 within about 6
months of the date, and I have to
inform you that no report of the
Committee having been held has yet
been received, and to request you
to kindly state what steps have been
taken in the matter, so as to
enable the Committee to use of the vessel
in the Society's Register
Book, which is now in the printers' hands.

Yours faithfully,
I am, Sir, very much obliged to you for the annual reprinting.

Yours faithfully,
Wm. H. Murray
