

to Chief Surveyor

10/12/90

Received from Chief Surveyor

VESSEL'S NAME

Strathleven

Report

Enk

No.

10096

Remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.

From the further information now received from the Greenock Surveyor it appears that the bottom is in a satisfactory condition; it is submitted that when the repairs to topsides are completed at Glasgow and the vessel reported to be in good condition, she will be worthy the favourable consideration of the Committee to remain as Classed viz 100.A.1.
