

N.B.—If this Report is copied by Copying Press, special care must be taken that the copying paper is not so much damped as to spread the ink, or cause it to show through to the other side.

were examined and found in good working condition.

The Collision bulkhead is in excellent condition and has been thoroughly scraped and painted.

The Windlass, steering gear, Boats and all equipment have been examined and put in good order.

There being no docking accommodation at Yokosuka on account of the War with China this steamer proceeds to Shanghai where she will be put into dry dock and the Survey completed.
