# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

26th August 1925.

Dear Sirs,

E. I regret to find that a letter respecting the M.V. "GRIPSHOLM" was inadvertently addressed to you yesterday instead of to the Surveyors at Newcastle to whom it should have been sent and I shall be glad if you will kindly cancel the same.

In the meantime I am awaiting your report on this vessel's machinery which it is understood is now being fitted on board at Newcastle.

I have also to request that you will forward to this Office as soon as possible your report on the engines made by Messrs. Burmeister & Wain for the "PROMETHEUS" (Messrs. Scotts' S.B. & E. Co's No. 525, Engine No. 597) now being fitted on board at Greenock.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
Copenhagen.
