 AND
 LONDON

15th August 1925.

Dear Sir.

As the Diesel engines made by Messrs Burmeister & Wain Ltd, are now being fitted on board the Iron Screw M. V. Gripsholm at Messrs Sir W. G. Armstrong Whitworth & Co's Yard at Walker on Tyne, I will be pleased to have the Copenhagen first entry report on the machinery in order to see what is required to complete the survey.

I am, Dear Sir.

Yours faithfully.

George Murdoch

The Secretary.

London.
