ANSWER

Date:- 3rd March, 1961

With reference to the entry in your return of vessels under survey for the week ending the 17th February last, it is concluded that the Running Survey of the Refrigerated Cargo Installation, due at the end of January, is also receiving attention, but your confirmation is desired.

As stated in our report No. 5053 of 15th February the Owners intended to discontinue the classification of this Refrigerated Cargo Installation. Their letter to this effect will be forwarded when received.
