Dear Sir,

MS. "BERLIN"

With reference to your letter of 12th inst. regarding the above we have today been informed by the Owners that this ship will be sold for scrap. Negotiations are now in hand with various buyers and we shall inform you in due course of the result.

It is intended by the Owners to deliver the ship to the place of demolition themselves, and therefore it is desired by them to maintain the Class for this purpose.

Yours faithfully,  
The Surveyors,
