

# Lloyd's Register of Shipping.

201, Tower Building,

Liverpool, 1st July 1927.

*L.H. 4/7/27*

ENCL.

Dear Mr. Hill,

I am enclosing for slight alteration the classification certificate of the S.S. "ARANDORA", as the Builders point out that the duct keel forward of machinery space should be 147' - 3" instead of 152'.

Will you kindly return the certificate to me after correction.

With kind regards,

Yours faithfully.
