21st September, 1933.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 20th instant respecting the T.S. "ARANDORA STAR", and note that it is contemplated making further additions to the erections of this vessel by extending the passenger accommodation at the forward end of the bridge, and by building a raised forecastle.

The case has been carefully looked into, and I have pleasure in stating that the alterations now proposed will not necessitate any increase to the equipment at present on board the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.
